RE: Offer of Employment, Psychometrics Research Intern, Summer 2026

Dear Brad,

It is my pleasure to offer you a position as a Psychometrics Research Intern with MedEdPrep, LLC for the summer of 2026. We are genuinely excited to have you bring your expertise to our team, and this letter sets out the terms of that offer.

- 1. Position.** You will serve as a Psychometrics Research Intern, working on item response theory (IRT) modeling, item calibration, metacognition research, and related psychometric analyses using MedEdPrep’s assessment data. You will report to Jeramey Ricks, Chief Executive Officer.
- 2. Employment Status.** This is a temporary, seasonal, W-2 position. Your employment with MedEdPrep is at-will, which means that either you or MedEdPrep may end the employment relationship at any time, with or without cause and with or without notice, although we will each endeavor to provide reasonable notice. Nothing in this letter creates a contract of employment for any fixed period or guarantees employment for the full term described below. As a temporary position, it does not include eligibility for employee benefits.
- 3. Term.** Your employment is expected to run from June 15, 2026 through August 21, 2026, subject to the at-will provision above and to the work authorization dates approved by your academic institution.
- 4. Schedule & Hours.** You will begin at approximately 20 hours per week. Additional hours, up to full-time, may be scheduled in any given week when discussed and mutually agreed upon in advance. You are a non-exempt, hourly employee; hours over 40 in a workweek require advance approval but, if worked, will be paid at one-and-one-half times your regular rate, as required by the Fair Labor Standards Act and Illinois law.
- 5. Compensation.** You will be paid \$50.00 per hour for hours worked, less applicable tax withholdings, through MedEdPrep’s regular payroll. You will record your hours and a brief description of the work performed through MedEdPrep’s internal portal; recorded hours will be totaled at the close of each two-week pay period and paid by direct deposit no later than seven days after the close of that period, consistent with applicable wage-payment law. As a W-2 employee, MedEdPrep will withhold and remit

taxes as required by applicable law and will issue an IRS Form W-2 for the year; certain taxes may not apply depending on your tax-residency and visa status, and withholding will be set accordingly.

6. **Onboarding & Work Authorization.** This offer is contingent on your completing required onboarding documentation, including Form I-9 (employment eligibility verification) and Form W-4, and on your providing and maintaining valid work authorization. We understand this position is being undertaken as Curricular Practical Training (CPT) or equivalent authorization through your academic institution. You agree to provide your CPT authorization and Form I-20 endorsement, naming MedEdPrep, prior to your start date. You may not work on any day for which you do not hold valid CPT authorization; if your authorization is delayed, denied, or ends before the dates above, your start and end dates will adjust accordingly, and the term is automatically limited to the dates of your valid authorization. You represent that the identity and work-authorization documents you provide are true and valid, and you agree to notify MedEdPrep promptly of any change in your work-authorization status.
7. **Equipment.** You will furnish your own computer. Where specialized tools, software, or licenses are needed to perform the work, MedEdPrep will provide them or reimburse reasonable, pre-approved costs. Any device you use for MedEdPrep work must be password-protected and encrypted.
8. **Location.** This is a fully remote position. You will perform all work from within the United States, primarily from your location in Illinois. Because your work location affects payroll, tax, and work-authorization requirements, any work performed from outside Illinois, or any change to your regular work location, must be approved in advance.
9. **Confidentiality & Data.** While your position focuses on assessment data, there may be circumstances where you encounter identifiable student information. You agree to keep all MedEdPrep proprietary materials and student data, whether de-identified or identifiable, strictly confidential; to use it solely for the purposes of your employment; and not to disclose, retain beyond your employment, or attempt to re-identify any individual.

As a condition of employment, you will execute MedEdPrep's Confidentiality and Non-Disclosure Agreement (the "NDA"). Access to any MedEdPrep data or proprietary materials is contingent on the NDA being fully executed first, and no data will be provided to you until that time. The NDA, including its survival provisions, governs alongside this letter; in the event of any conflict regarding confidentiality, the NDA controls.

Upon conclusion of your employment, or earlier upon MedEdPrep's request, you will return or permanently destroy all MedEdPrep data, materials, and copies in your possession or control, and will certify that you have done so. This obligation, together with your confidentiality obligations, survives the end of your employment.

10. **Work Product & Intellectual Property.** All work product, models, calibrations, code, analyses, and deliverables you create within the scope of your employment are works made for hire and the property of MedEdPrep, LLC. To the extent any of it does not qualify as a work made for hire, you hereby assign all right, title, and interest in it to MedEdPrep, LLC, and agree to sign any documents reasonably necessary to perfect that assignment. We actively support your academic work: with MedEdPrep's prior written consent, which will not be unreasonably withheld and which we anticipate granting and encourage, you may use de-identified findings and your own contributions for academic publication and professional

portfolio purposes, with appropriate acknowledgment of MedEdPrep. Nothing in this engagement restricts your use of the general skills, methods, and knowledge you develop.

11. Governing Law. This offer and your employment are governed by the laws of the State of Georgia, without regard to its conflict-of-laws principles.

12. Supervisor. Your supervisor will be Jeramey Ricks, Chief Executive Officer.

Brad, I want this summer to be meaningful for your career, not just a line on a resume. We are looking forward to the work ahead, and to the possibility of building something longer-term together.

To accept, please sign below and return a copy at your convenience.

Warm regards,

Jeramey Ricks, NRP, CCP-C, FP-C

Chief Executive Officer

MedEdPrep, LLC
